NATIONAL SOCIETY FOR CRIPPLED CHILDREN, ELYRIA, OHIO

BULLETIN ON CURRENT LITERATURE

OF INTEREST TO WORKERS FOR THE CRIPPLED

Vol. 6, No. 12. December, 1945

Index to this Issue

Accidents - 966,978
Amputations and prosthesis - 937, 944,964,986,1004
Arthritis - 949,950
Brucellosis - 973
Camping - 936,972,1010
Cerebral palsy - 940,945,982,990, 995
Community organization - 942,952, 1009
Convalescent care - 951,982
Crippling conditions - 931,943, 944,947,952,955,970,973,974,983, 984,988,989,994,996,1015
Education - 948,977,981,987,1001, 1013
Employment - 933,939,941,954,956, 959,961,965,968,969,975,976,978, 979,993,1000,1005,1008
Epilepsy - 933
Foreign - 939,944,950,961,964,971, 986,1001
Legislation - 948,985,1007
Occupational therapy - 938,951,971, 980,981,982,1001,1004
Orthopedic nursing - 934,982,1001
Physical therapy - 938,943,946, 949,950,958,967,970,971,982,984, 988,989,991,994,996,997,999,1006, 1014,1016
Poliomyelitis - 1015
Psychology - 938,960,990,991,1002, 1017
Rh blood factor - 974
Rheumatic fever - 963,984,1006,1011
Sheltered employment - 971
Speech defects - 940,958,997,1012
State treatment programs- 985
Venereal diseases - 952,957,1009
Veteran rehabilitation - 932,933, 934,956,959,961,962,968,975,976, 980,987,992,998,1008
Vocational rehabilitation - 935, 937,939,941,942,946,951,952,962, 965,971,976,980,995,1003

* * * * *

Any item listed here may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Additional literature on any of the subjects discussed will be sent to any interested person upon request.

Articles appearing in this Society's bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter, THE CRIPPLED CHILD BULLETIN, are not listed in this Bulletin.

A complete index for this volume will be issued at the end of the year. Information on periodicals in which articles listed in this issue originally appeared is given on Page 7.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education, or vocational rehabilitation of cripples and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

931. Albaugh, C. H., M.D. Congenital Anomalies Following Maternal Rubella in Early Weeks of Pregnancy With Special Emphasis on Congenital Cataract. The Journal of the American Medical Association, Nov. 10, 1945. 129:11:719-723.

932. American Legion, The. At Ease! You're a Civilian Now. 1608 K St., N. W., Washington 6, D. C. 1945. 32 pp.

Explains rehabilitation service and how it functions.

933. American Museum of Safety. Safety Training Digest--Industrial Rehabilitation. New York University, New York, N. Y. 1945. 35¢.

Includes several informative articles, for example, "The Handicapped Are No Hazard," "Employment of Epileptics," "Insurance and the Disabled Worker," "Disabled Veterans for Factory Jobs," and "Bulova School for the Disabled."

934. Ansell, Shirley. A Patient With Spinal Injuries. The American Journal of Nursing, Nov., 1945. 45:11:955-958.

The treatment of a soldier and the importance of good nursing.

935. Arnall, Ellis. Rehabilitation as a Social Force. A. F. P. H. Tribune, Oct., 1945. 1:2:5-6.

936. Ash, Frances. Sometimes the Handicapped Give More Than They Receive. The Camping Magazine, Nov., 1945. 17:7:11,31.

Successful camping program with handicapped and healthy children.

937. Attachments for Artificial Arms--An Indication to Managements of the Way in Which Fitments That Replace the Hands Enable Workers Who Have Lost One or Both Arms to Perform Many Industrial and Commercial Jobs. Production and Engineering Bulletin, Sept.-Oct., 1945. 4:33:369-380.

938. Axline, Virginia M.; and Rogers, Carl R. A Teacher-Therapist Deals With a Handicapped Child. The Journal of Abnormal and Social Psychology, April, 1945. 40:2:119-142.

An account of the treatment of a handicapped child by a psychologically trained therapist with implications for workers in fields of rehabilitation and occupational therapy.

939. Back at Work--The Resettlement of the Disabled in Industry. British Machine Tool Engineering, April-Aug., 1944. 26:140:165-177.

940. Berger, Clyde C. Subjective Observations on Cerebral Palsy. Journal of Speech Disorders, Dec., 1945. 10:4:297-302.

The author is handicapped by cerebral palsy and, therefore, is able to give sound information to those who are training and educating the cerebral palsied.

941. Bruce, O. F. Randolph, Jr. Places for the Handicapped. National Safety News, Nov., 1945. 52:5:20-21,86,88.

"Jobs for all is the aim of the U. S. Employment Service and selective placement increases the number employable."

942. Buell, Bradley; and Robinson, Reginald. From Veteran to Civilian. Survey Midmonthly, Nov., 1945. 81:11:302-316.

Stresses the community's responsibility and includes health problems, rehabilitation, and guidance.

943. Bunnell, Sterling, M.D. Suggestions to Improve the Early Treatment of Hand Injuries. Archives of Physical Medicine, Nov., 1945. 26:11:693-697.

944. Callum, E. N. Amputations, Re-Amputations, and Penicillin. British Medical Journal, Nov. 3, 1945. 4426:599-601.

945. Carl Hayes' Charming Drawings Prove Cerebral Palsy No Bar to Talent. The Spot-Lite, Nov., 1945. 4:7:2.

946. Civilian Rehabilitation Centers. The American City, Nov., 1945. 60:11:86-87.

Condensation of recommendations of Baruch Committee on Physical Medicine on this subject, with full-page illustrated flow chart of a proposed service center, and thumbnail report of center now operating in Stamford, Conn.

947. Clunk, Joseph F. Open Letter to My Newly Blinded Friend. Sup't. of Documents, U. S. Gov't. Printing Office, Washington, D. C. 1944. 32 pp. 10¢.

948. Cobb, Thomas H. Illinois' Plan for the Handicapped. Illinois Education, Oct., 1945. 34:2:43-44.

"Illinois' Constitution places upon the Legislature responsibility for the education of ALL the children. There are no qualifications or exceptions."

949. Comroe, B. I., M.D. Physical Therapy in Rheumatoid Arthritis. Archives of Physical Medicine, Nov., 1945. 26:11:677-682.

950. Copeman, W. S. C.; and Pugh, L. G. C. Effects of Artificial Dehydration in Rheumatism. The Lancet, Nov. 3, 1945. 2:18:553-555.

951. Correvont, H. Earle. Rehabilitation's Broader Services. Health, Sept.-Oct., 1945. 32:4:2.

"Tuberculosis is a social problem with a medical aspect." Entire issue devoted to rehabilitation of tubercular people.

952. Cory, Harriet S., M.D.; and Brown, Josephine M. Social Hygiene Gets Down to The Grass Roots--An Account of the First Year of a Neighborhood Campaign for Venereal Disease Education in the City of St. Louis, Mo. Journal of Social Hygiene, Oct., 1945. 31:7:407-419.

953. Deaver, George G., M.D.; and Brown, Mary Eleanor. Physical Demands of Daily Life--An Objective Scale for Rating the Orthopedically Exceptional. Institute for the Crippled and Disabled, 400 First Ave., New York 10. 1945. 36 pp. 10¢.

954. Disabled Are No Problem--Physically Impaired Workers Present No Employment Problem to Industry if Definite Program of Fitting Man to Job is Followed. Science News Letter, Dec. 8, 1945. 48:23:359.

955. Donald, Russell A. Dystrophia Myotonica. United States Naval Medical Bulletin, Oct., 1945. 45:4:733-736.

956. Duvall, Evelyn Millis. Readjustment of Returning Servicemen [Bibliography]. Youth Leaders Digest, Dec., 1945. 8:3:99-104.

957. Ennes, Lt. Howard W., Jr. Venereal Disease Discipline--Functions and Problems of Educational Prophylaxis in the U. S. Navy. United States Naval Medical Bulletin, Nov., 1945. 45:5:997-1016.

958. Flint, Elmerine Sherman. Speech Correction Services in State Welfare Programs. Journal of Speech Disorders, Dec., 1945. 10:4:321-328.

959. Frampton, Dr. Merle E. The Physically Handicapped Veteran. A. F. P. H. Tribune, Oct., 1945. 1:2:8-9.

Points out that Society's obligation to the veteran is the same as to any other physically handicapped group--to give him a chance to help himself.

960. Frender, Lena. Handicapped Children and Their [Emotional] Problems. Understanding the Child, Oct., 1945. 4:14:118-119.

961. From Disablement to Re-Employment. British Machine Tool Engineering, April-Aug., 1944. 26:140:116-118.

A constructive discussion of developments in England. Illustrated.

962. Fuss, Felicia. Rehabilitation of the Disabled Serviceman--A Selected Bibliography, Revised and Enlarged. Russell Sage Foundation, 130 East 22nd St., New York 10, N. Y. Bulletin No. 162. Nov., 1944. 14 pp. 20¢.

963. Garrow, R. P., M.D. Juvenile Rheumatism--Supervision or Prevention? Mother and Child, Nov., 1945. 16:8:111-112.

964. Garwood, H. P. The Plight of the Deaf. The New Statesman and Nation, Sept. 29, 1945. 30:762:214.

Letter approving Levy article on prosthesis and emphasizing high cost of hearing aids.

965. Grimaldi, John V. 10,000,000 Handicapped Workers. The Casualty and Surety Journal, Aug., 1945. 6:7:23-29.

"Seven steps to successful employment of the disabled."

966. Guarding Against Home Accidents. Statistical Bulletin, Oct., 1945. 26:10:4-6.

967. Hansson, K. G. Body Mechanics and Posture. The Journal of Health and Physical Education, Dec., 1945. 16:10:549-550,586-587.

968. Herrick, Mrs. Elinore M. Sweatshops for Veterans? The Nation, Aug. 11, 1945. 161:5:143.

A reply to Edward M. Maisel [article 564 in July Bulletin].

969. Holman, Ross L. Employment for the Handicapped. American Mercury, Dec., 1945. 61:264:706-710.

Resume of experiences of several prominent concerns employing the handicapped.

970. Horwitz, Lt. Col. Thomas; and Lambert, Lt. Richard G. Treatment of Ununited Fractures of Long Bones--A Method Combining Grafting and Internal Fixation. The Journal of Bone and Joint Surgery, Oct., 1945. 43:4:637-644.

971. Hospital Treatment--In-Patients. British Machine Tool Engineering, April-Aug., 1944. 26:140:124-164.

Discusses physiotherapy and occupational therapy with activities illustrated. Then post hospital treatment including special rehabilitation workshops.

972. Howett, Harry H. Workshop on Camping for the Handicapped. The Camping Magazine, Nov., 1945. 17:7:23.

973. Huddleson, I. Forest. Undulant Fever. Hygeia, Dec., 1945. 23:12:908-909.

Stresses importance of preventive measures and knowledge of the disease.

974. Hughes, Horace H. RH Can Spell No Babies. Parents' Magazine, Dec., 1945. 20: 12:18,110,112.

"Fifteen out of every hundred people lack a special blood factor called Rh. This article explains the difficulties such lack can cause when a baby is on the way."

975. Hutchinson, Marijean. Hiring Veterans--Common-Sense Plan That Works. Food Industries, Sept., 1945. 17:9:74-75,186,188,190.

Explanation of Curtiss Candy Co, system for reemployment of veterans, including the disabled.

976. Industrial Hygiene Foundation. Putting the Disabled Veteran Back To Work. 4400 Fifth Ave., Pittsburgh, 13, Pa. Bulletin No. 3. 1945. 33 pp.

Includes the following articles, "Readjusting the Veteran," by Col. John N. Andrews; "Vocational Rehabilitation and Placement of Veterans," by Harley L. Krieger, M.D.; "New Experiences in Putting the Disabled Veteran Back to Work," by A. A. Hendrix; "Summary of Job Placement Qualifications," by I. Dent Jenkins; "Guidance of the Disabled Veteran Returning to Work," by Benjamin F. Streets, M.D.; and a Discussion by C. D. Selby, M.D.

977. Industrial School for Crippled and Deformed Children. Fifty-First Annual Report. 241 St. Botolph St., Boston, Mass. 1945. 28 pp.

An account of the work of the school illustrated with pictures.

978. Johnson, Marilyn E. Planning Industrial Safety for the Handicapped. Industrial Medicine, Oct., 1945. 14:10:799.

979. Jones, J. A. J. Jobs for the Wounded. Food Industries, Nov., 1945. 17:11:106-108.

Advice to management on employing the handicapped.

980. Kelley, Charles Fabens. Yanks' Health Gets Speed-Up. The Kiwanis Magazine, Nov., 1945. 30:11:9,28-30.

Stresses need of skilled craft personnel to assist in the rehabilitation of wounded men.

981. Kenzie, Ruth Wemett. Some Considerations Regarding the Training of Occupational Therapists. Occupational Therapy and Rehabilitation, Oct,, 1945. 24:5:205-208.

982. King, Carl F. For Crippled Children in Indiana--A Chance. Public Welfare in Indiana, Nov., 1945. 55:11:3-4,19.

Entire issue is devoted to work with crippled children. Includes "Occupational Therapy," "Physical Therapy," "For the Cerebral Palsied Child," "Finding the Crippled Child," "Physical Therapy When the Child Goes Home," and "The Function of the Orthopedic Nursing Consultant."

983. Knight, Lt. Col. Marvin P.; and Wood, Major George O. Surgical Obliteration of Bone Cavities Following Traumatic Osteomyelitis. The Journal of Bone and Joint Surgery, Oct., 1945. 43:4:547-556.

984. Kovacs, Richard, M.D. SPA Treatment of Rheumatic Diseases in the United States--III. Representative Spas. Archives of Physical Medicine, Nov., 1945. 26:11: 683-687.

985. Lawrence J. Linck Presents News and Progress Report in Final Letter--Shows Growth and Development of State Service for Crippled Children--Important Gains Made--Commends Legislation Enacted. The Welfare Bulletin, Nov., 1945. 36:11: 8-9.

986. Levy, Hermann. Expensive Aids. The New Statesman and Nation, Sept. 15, 1945. 30:760:174.

Calls attention to prohibitive cost of artificial limbs, dentures, spectacles, and hearing aids in Great Britain. Suggests special research committee.

987. Lewis, Edward McE. Educational Benefits for Veterans [including disabled veterans]. The American Journal of Nursing, Nov., 1945. 45:11:889-891.

988. Management of Peripheral Nerve Injuries. The Bulletin of the U. S. Army Medical Department, Nov., 1945. 4:5:557-559.

989. Management of Peripheral Nerve Injuries. The Physiotherapy Review, Nov.-Dec., 1945. 25:6:289-290.

990. McKee, John D. Some Psychological Aspects of Spasticity. The Spastic Review, Dec., 1945. 6:5:6-7,10.
